Press Release

House Fire
375 W Gray St
Elmira NY 14901
08/30/2023

At approximately 13:31 crews were dispatched to 375 W. Gray St for a possible house explosion with entrapment. Upon arrival crews found the two story, multi unit apartment house with heavy fire coming from the rear first and second floors. Crews entered the building and were able to bring the bulk of the fire under control within approximately 30 minutes. Crews remained on scene extinguishing hot spots in the attic until approximately 430. The structure sustained significant fire damage as well as smoke and water damage. Some occupants were home at the time of the fire and were able to exit the building safely. The Elmira Fire Department was assisted by West Elmira Fire Department as well as Elmira Police, and Erway Ambulance. The fire is under investigation at this time by N.Y. State Fire, Elmira Fire, and Elmira Police Department Investigation Crews.
